

CAREER APPLICATION FORM INSTRUCTIONS

<https://www.syncti.com/about-us/careers/>

- 1) Click the link to open/download the Career Application Form by clicking on the down arrow icon in the upper right-hand corner. 
- 2) Fill out the application completely. If you have to stop midway through be sure to save the file as the contents won't be saved automatically.
- 3) After completion, save the PDF file to your computer (be sure to note the location)
- 4) Upload the Employment Application – Click or drag file to the area noted for upload.

****IMPORTANT****

Before closing the file, save the PDF to your computer. If not, your information will be lost and you will have to start the process over from the beginning.
